From Harry Wanless' to

I have worked at Fas Chek; as a road salesman for S.B. Wallace Wholesale; the Western Auto Store, and I do electrical work.

I am a member of the Hillsboro Volunteer Fire Department, Little Levels Ambulance Patrol and the United Methodist Church.

My interest is outdoor sports; hiking, fishing, hunting, and skiing.

My sister, Janice Carol, was in her last year at Nursing School when I was born so there is twenty years difference in our age. Not only was she a big sister to me but my best friend. I consider it a privilege to submit her family in the history of Pocahontas County.

She was the only daughter of my parents, born December 24, 1937. She graduated from Hillsboro High School, belonged to F.H.A., played clarinet in the band and was active in the Methodist church. She was a graduate of Lewis-Gale School of Nursing, Roanoke, Virginia, in 1958. As a registered nurse she stayed at Lewis-Gale and worked in surgery for five years, went to Richmond, where she was employed by the Chairman of Surgery at the Medical College of Virginia, and worked twelve years in kidney transplant surgery under Dr. David C. Hume.

In 1969 she was married to Jerry Lynn Hall of Richmond, formerly of Buckhannon, West Virginia, son of Hayward E. and Nell Crisp Hall.

For several years he has been employed as an accountant for Firestone Tire & Rubber Company in Hopewell, Virginia.

Their only child is David Lynn, born in Richmond, October 5, 1972.

Janice died November 29, 1976. She is buried in Sunset Memorial Park, Chester, Virginia.

David lives in Chester with his father and step-mother, Caroline Payne Hall. He belongs to the Cub Scouts and the junior choir at St. Thomas Episcopal Church, where Caroline is organist.

David looks forward to coming to Hillsboro for summer vacation, and did his first skiing this year, 1980, at Snowshoe. By John F. Walker

WILLIAM THOMAS WALKER

I am Thomas Walker, oldest son of Archie and Kathleen Faulkner Walker, and the grandson of the late William Thomas and Sophia Barlow Walker. I have very fond memories of my grandparents in Hillsboro. Since our homes were on adjoining lots I can

1925 the family came to Hillsboro and purchased the property known as the W.K. Goode Store.

They were members of the Oak Grove Presbyterian Church and he belonged to the Hillsboro Masonic Lodge. They were parents of five children; Zora Viers, Lenora Boggs, Edna Moore, Verna Viers, and Archie F. Walker. He and my father, Archie, operated their general store, known as the Hillsboro Store Company. He died July 22, 1951; grandmother on September 30, 1957. Both are buried in Mountain View Cemetery, Marlinton.

Now, I want to tell about my household. I was born in Marlinton (hospital), August 9, 1934. I graduated from Hillsboro High School, Potomac State, and in 1956, from WVU. Soon after school I was drafted into the armed service and served two years in the Army Signal Corp. I am married to Linda Lee Clutter, born February 3, 1937, daughter of the late Eric and Eva Beard Clutter of Hillsboro. We have two children; Thomas Wayne, Jr., and Kathryn Lee, and we reside in South Hills, Charleston, WV. For sixteen years I was employed in the IBM department at Libby-Owens Ford Glass Company. In 1971 I went with CUNA Mutual Insurance Group of Madison, Wis. as their sales representative in Southern West Virginia with whom I am still associated. Linda is employed with Old Colony Real Estate. As a hobby I collect old coins.

Tom, Jr., our oldest child, was born in Colorado Springs, Colorado where I was stationed in the Army Signal Corp and his mother worked as a X-Ray Technician at the Colorado Springs Medical Center. Tom graduated from George Washington High School in Charleston and is now a senior at Fairmont State College. His hobby is photography.

"Kathy" was born in Charleston, WV, May 4, 1961. She is also a graduate of George Washington High School where she was on the girl's basketball and track teams, and won many trophies. She is a sophomore at Fairmont State College and plays on the basketball team there.

Every chance we get, our family loves to come home to beautiful Pocahontas to be with our families and friends. We enjoy skiing, hunting and fishing there.

Olive Cassell Banard, Fort Smith, Ark.; Arthena Griffin, Bolar, Va.; Genevieve Shinaberry, Fairmont; Nora Turner and Orpha Clark, Franklin; Velma Turner, Arbovale; and I live at Minnehaha Springs. My parents never lived long at any location due to my father working in the logging industry. We moved from Boyer to Minnehaha Springs in 1928 where my father was employed at Mountain Timber Corporation. It was here I met and later married Earl M. Wanless on April 27, 1931 at the home of Rev. Howard Underwood on Beaver Creek.

Earl worked at several different jobs before being employed by the U.S. Forest Service on March 16, 1943 until his retirement in 1965.

We own a small farm near Minnehaha Springs and built our present home there in 1960. The white pine trees from this small farm furnished the lumber to build our home. Today the pine trees furnish lumber to build picnic tables that Earl makes and sells through the summer months.

Earl and I have 2 sons: Earl Wanless Jr. works for Air Survey Corp. and lives at Front Royal, Va.; Harley Monte lives at Barboursville, Va. and works for Central Telephone Co. 1 son died 8-11-1933. Our 3 daughters are: Arlene Anderson Green, Lynchburg, Va.; Janice Bryant, Clifton Forge, Va.; and Wilma Grace Rimel, Huntsburg, Ohio. 14 grandchildren and 3 great-grandchildren.

Earl had 2 brothers, Norman F. and Otis S. Lester. His mother Ina Josephine Wanless Lester (09-28-1888 to 03-19-1957) was the daughter of Ralph William and Laura H. Gum Wanless. Ina and her sisters, Mary Dilly and Allie Ryder and 2 brothers, George and Authur Wanless, were born at what was once known as the Wanless farm near Mt. Tabor school house in the hills, 5 miles north of Huntersville.

Laura H. Gum Wanless was raised in Bath County by a family named Sively. We know nothing of her parents or relatives as this was during the Civil War.

The little sawmill town of Raywood that was named for the descendants of Samuel H. Ray has disappeared but a small part of the Wanless community still stands. The Wanless church and cemetery, also the Wanless depot, can still be seen on Back Mountain above Cass to remind us of 2 young brothers, Ralph and Stephen Wanless, who came from England to settle in the hills of Virginia that later became Pocahontas County, West Virginia. Jacob Warwick's history was recorded in W.T. Price's *Historical Sketch of Pocahontas County*, Jim Comstock's *West Virginia Heritage Encyclopedia* and the hand written records of Emma Warwick, Jacob's great granddaughter, being the daughter of John Woods Warwick and Caroline Elizabeth Craig.

Major Jacob Warwick (b. 1743, d. 1826) was the son of Lt. John Warwick and Elizabeth Dunlap of Middlebrook, Va. Although here for safety, Lt. John Warwick was employed in service of the King in locating and surveying land grants. He owned property in Bath County and Mathews, Va. (now Dunmore).

Four children, Charles, Elizabeth, John and Jacob were born in Williamsburg as Lt. John resided there in 1740-50. Lt. Warwick chose to return to England. The reason for this and his whereabouts thereafter were unknown. Charles and Elizabeth were placed in schools in Wil-

lumber that had been sawed at
John's Run to Dunmore to Noel's

Yeager, one of the trustees, drew
plans for the church and submitted
as Elliott for a bid. James Elliott
at 6, 1883: "I will do the carpenter
work for the within described building
of two hundred and eighty seven
(.00) or a Box house the same size
(This bid is just for the carpenter and
I did not have time to see what the
bid cost on the ground."

Specifications called for a building 24' x
to ceiling, to be built on River Hill,
Leopold, W. Va. Materials to be used
out carefully. There were to be six
12 lights each 10' x 16', one double
center of end. It was to be sealed
good clean lumber; floor to be black
to be placed on each side with aisle in
2 seats on each side of pulpit; a small
pit on a platform 14' high, with neat
in front.

Elliott's bid was accepted by the build-
ing committee. It required a year to build during
the year he boarded at C.C. Burner's. The
church was dedicated in 1886. Harry Burner
was a year very well as it was the year he
died. He and his father, Charles Camer-
on, built a fence of 6 inch boards and also the
block and stile. Horse, horse and
spring wagons were the mode of
transportation in those days. Residents from the
area became Dunlevie and Winterburn
ath around the base of Burner moun-
tains. When the Greenbrier was high
there were no bridges, only fords and footlogs.
Harry Burner returned from 16 years in
1906, there were only two cars in the
area. Charlie Grogg and Craig Ash-

in 1920's the Sunday School rooms were
the back of the church. In the 1960's the
was added and the old pine altar and
replaced with modern oak ones.

Durbin came alive with the coming of
roads. In 1906 a church was built there
now Methodist Church, previously
it's Repose, became a part of that charge.
Durbin later became a station church,
was made a part of the Arboreale charge.
of the ministers recalled who served the
church are: Van Devender, Nevitte,
Spindler, Van Devender, Crawford,
Rose, Shires, Buckhannon, Helms,
Gochenour, Naylor, Wriston,
De Haven, Tenney Winkler, Richard-
son, Fairburn, Helms, Miller, Edgell
and others.

Due to the lack of active members, services at
the Methodist Church were discontinued in
and the church building sold to the Catholic
Church of Wheeling, WV September 6, 1977.

TRINITY BAPTIST CHAPEL

One year ago Trinity Baptist Chapel
was a reality when First Baptist Church of
the area agreed to take the responsibility of
the church. Actually, the original group
had been meeting for some time. They
used the use of a store building at Mill Point.

and, in the past two years, they have gotten used
pews, installed a furnace, and remodeled the
interior of the building. However, from the
beginning the need for larger facilities was seen.

During the first few months of 1980 a search
for property was begun, and early in the spring
two adjoining tracts of land were found which
seemed to be a good building site. The Chapel
had \$3,000 in its building fund, to which they
added \$2,700, and the Mother Church added \$
800. This was enough to pay for the first tract. A
Site Fund loan provided the funds to purchase
the second tract. The Chapel now has about 6.5
acres of ground.

Trinity Baptist Church, of Drexel, North Car-
olina, has taken a special interest in the Chapel
because Saford and Sue Hammons, Chapel
members, are former members of their Church.
The Church gave Trinity Baptist Chapel a check
for \$15,000 to use on a building. Central Baptist
Church of Whitel, North Carolina, has made a
\$200 per month commitment and the Chapel is
using this to help with the financial support of
their pastor, Ron Branch.

With a new pastor, 6.5 acres of ground,
\$15,000 toward a new building, and a lot of
energy and enthusiasm, Trinity Baptist Chapel
is on the move.

WANLESS UNITED METHODIST CHURCH

This church is located on Back Mountain
Road North of Cass. Land deed for the church
was granted in October 1908 by C.C. Wanless
and wife Hannah. Trustees at the time were H.L.
Kesler, C.C. Wanless, A.W. Tallman, J.H. Tall-
man, William Cassell and A.W. Sheets. The
church was then known as Mount Union. Later
it was changed to Wanless Methodist and is
currently known as Wanless United Methodist.

Mr. Harry Wanless, Mr. W. Brice Cassell and
Mrs. Lelia Swink remember the building of the
church in 1907 by John and Robert Nole with
help from the local residents. They recall that the
lumber for the church and pews was sawed at a
small mill located on a stream on the property
now owned by Mrs. William Tyler. The lumber
was dried in a kiln on the land behind the church
site. Mr. Wanless remembers helping put the
shingles on the roof. Mrs. Grace Cassell remem-
bers going to the dedication services in 1908.

The original Bible was obtained from Sears
Roebuck and was stolen many years ago. Maude
Wanless, sister to Harry, collected donations
from Cheat Mountain woodsmen and local resi-
dents to buy the church bell and organ.

Families living within a five mile radius
attended and maintained this church for many
years. Descendents of these families still contin-
ue to attend and maintain this church.

Before the church was built, worship services
were held in a one room school building located
on the Henry Kesler property now owned by
Gearold Cassell. Submitted by Alma Cassell Mick

WESLEY CHAPEL METHODIST CHURCH NEAR DUNMORE, W. VA.

The earliest date found for the Wesley Chapel
Methodist Church or the Glade Hill Church, as
it was then called, was 1867.

Minutes of the first quarterly conference were
lost in a fire.

Church services were first held in the Glade
Hill school house which was located on land now
owned by the Wilfongs. Names of some of the
early members were: Curry, Patterson, Galford,
Kerr, Akers, Gum, Maupin, Nottingham,
Arbogast, Hudson, Sheets, Cooper, Carpenter,
and Taylor.

On April 19, 1894 a deed was made by Henry
and Early Taylor deeding a tract of land for the
erection of a church.

Warwick Hudson, Asbury Sheets, J.F. Patter-
son, W.W. Galford and Henry Taylor were
appointed in 1894 to the building committee.

The church was named "Wesley Chapel" by
J.F. Patterson and was dedicated in 1897.

The building was not large enough, because
the congregation averaged around a hundred.
During the period of 1919-1923 Mr. Samuel
Elliott removed the back end and built an addi-
tional ten feet to the church.

In 1961 the Church was transferred to the
Minnehaha Springs Charge and then in 1974 it
was transferred back to the present Pocahontas
Charge.

A vestibule, bell tower, toilets and tool shed
were built later.

In 1966 an oil furnace was installed.

In 1971 lightning struck the church. The fire
was put out before too much damage was done.

In 1976 the inside of the church was re-done by
insulating, lowering the ceiling, paneling walls,
etc.

Later a drain ditch was installed in front of the
church and cemetery to prevent water from
running across the road. Mr. Ivan VanReenan
donated a steel gate to be used at the entrance to
the cemetery. Hymn books were purchased as
Memorials and book racks installed on the
benches. Mrs. Neil Horner

WESLEY CHAPEL UNITED METHODIST CHURCH HILLSBORO

The Wesley Chapel United Methodist Church
at Hillsboro represents the oldest continuing
congregation West of the Allegheny Mountains.
The original building was erected by the first
settler in Little Levels, John McNeel, sometime
between 1765 and 1776, located on the summit
of the Knoll which is now the McNeel Cemetery.
and was known as the "White Pole Meeting
House." The members of that congregation were
John McNeel, Martha McNeel, James Lewis
and wife, Alexander Wadell and wife, Charles
Kennison, Jacob Kennison, Mrs. James Brinnell,
John Switzer and wife, Richard Hill, Nancy
Hill, and Abraham McNeel and wife. It is said
that Bishop Asbury held services there as early as

TRUMP RUN SCHOOL

Located on Trump Run about 1/2 mile above the Greenbrier River. Established in the 1920's. Closed in 1936.

WANLESS ELEMENTARY SCHOOL

The Wanless Elementary School was located on Back Mountain, five miles from Cass in what was then known as the Wanless Community. It was situated near the highway, on a bank just above the Henry Kesler home. It was a typical one-room school with a pot-belly stove, a water cooler, an old fashioned blackboard and desks and chairs, which accomodated two pupils. This school was later moved just across the road from the Wanless Cemetery on the Wanless Siding Road, as it was known at that time, and it became known as the "Back Allegheny School."

Many memories exist in the minds of those who attended this school. Boys and girls were mischievous in that day, just as they are today. One day a Spelling Bee was in session, which was a frequent pastime as well as a learning experience. A student who had been spelled down, went to the blackboard and with the teacher's back to him, wrote the words on the board as the teacher pronounced them. One of the students informed the teacher of what was going on. She disqualified the speller and all sat down. The usual punishment was handed out which was writing a sentence, dictated by the teacher, 100 times. The speller honestly did not see the word that was written on the board, but the teacher insisted that to be fair, she would have to end the "Match" for that time. Busy work or rainy day

THE WESLEY CHAPEL SCHOOL

The Wesley Chapel School was built by Will and Ed Taylor in 1910 on land loaned by James and Nelia Taylor. The school was located about 300 yards down the road from the church. The school board furnished the desks for the school. The inside was plastered above the beaded wainscoting. The school had three windows on each side. The pot bellied coal stove with heat directing jacket around it was located in the right corner as the room was entered. A cloak room was passed through to get into the schoolroom. The smaller desks were on the left as the room was entered. The rows of desks were larger moving to the right. The teacher's desk and recitation bench were in the front of the room. In 1937 there was a 4 gallon stone water cooler with a cracked lid on it that was kept on a shelf in the left hand corner as the room was entered. There were forest designs on the outside of the cooler including a large buck deer. The cooler was broken and replaced with a barrel shaped white one that had blue bands around it which was brought to the school in 1939 and had a compartmentized wall cabinet made where each student kept a drinking cup. A common dipper had been used before except some students kept cups in their desks. Neil Sheets was the student assigned to put chlorine in the water cooler in 1937-38 to

The Thorny Branch School was a new frame building located in the hollow downstream from the Lawrence Kelly house. The building replaced the Glade Hill School.

The teachers were in order:

Susie McCarty from Little Levels in 1903. She boarded at Pete Oliver's and took Inez Oliver (aged 4 yrs.) to school with her for her first grade. Susie McCarty married Ulysses Nottingham in Nov. 1, 1904 and died at Bear Creek, Montana in 1906 giving birth to her only child, Robert, who died in 1922 of pneumonia.

Clownie Hull for 2 terms. Rella Taylor Sheets remembered that he could be heard giving lessons all the way up the hill in the road.

The school was replaced by the Gum Spring School and Wesley Chapel School as there were about 48 students during the last term. The building was moved up on top of the hill by Sam Elliott who lived in it for some years. It was located on the Jack Taylor farm where the old well is still seen. George and Mandy Taylor had lived in a house nearby before they built the big house in the bottom. Nola and Jack Taylor lived in the old school after their marriage in 1930. Jack Taylor moved the building across the bottom to use as a granary.

Belle Taylor Wooddell remembered the old Dr. Moomau visiting the school, also a Mr. Grimes. They were district school board presidents. Will Taylor, father of Belle, took a great interest in the school. When there were programs being presented he was always urged to recite a poem. Belle attended the school from its beginning to the end. She has a picture of the school and scholars.

Carpenter and other children within walking distance. If any of the pupils were tardy and did not have an eligible excuse they were not allowed to go out and play during recess. Mustoe McLaughlin liked to spend time with the lady teacher so when she asked him why he was tardy he told her he had to salt the geese. One of the pupils caught a skunk and slipped it into the drawer of the teacher's table before the teacher arrived at the school house. The table is in Lee McLaughlin's home. Since it was erected on Robert McLaughlin's farm, he moved it over near his home, where Lee McLaughlin now lives. The Robert McLaughlin home burned in the spring of 1910 and the family lived in the school building until their new home was built that fall. The older boys slept in the hay in the barn because there wasn't enough room for all to stay in the school house. The old school house is now being used for a granary by Lee McLaughlin, a grandson of Robert McLaughlin. *Georgia McLaughlin Taylor*

TOP ALLEGHENY SCHOOL

About the time the old Log Church stood along the Staunton and Parkersburg Pike, shortly after the Civil War, a schoolhouse was built at the intersection of the Green Bank Road and the Pike. Here the older settlers of the Mountain attended school. About 1900, or near the time the new church was built, a new school house was erected joining the North East corner of the church lot facing the Battle Grounds. It was later moved on down the Pike about a mile in the big bend of the road between the church and Lee Wilmoth home as all the children lived in that area. Charles and Sam Spencer and K.B. Wilmoth taught there until they retired. Later Estes Crist, Flora Phillips and Opal Gillispie were teachers. Closed in 1945.

activities included among other things, cutting household article pictures from catalogues and pasting them on cardboard boxes to make houses. Arguments over just who some of the pictures belonged to (since things would get mixed up with two sitting together) were frequent but somehow were settled. These things are laughable now but they were mountains to the ones involved at that time. A one-room school had advantages as well as disadvantages. Maybe more advantages than can ever be measured. This perhaps can be disputed, but be that as it may, Back Allegheny School produced some wonderful citizens.

Some of the teachers who taught in one of these schools were: Lillian Fowler, Mary Hill, Alice Friel, Eula Hill, Monna Colaw, Jeanne Hevener, Bonnie Nicholas, and Lynn Kerr.

Listed are some of the people who attended the Wanless (Back Allegheny School): Earl, Myrl, Margie, Blanche and Alice Cassell; Peggy and Tommy Wanless; Harold, Allene, Paul, Audrey and Gene Kesler; Ralph Cassell Galford; Thelma, Layke, Mary Frances and Norma Swink; Gayle, Jerry, Neil, Nora, Grey and Charlotte Cassell; Howard, Guy, Burke, Mary Anne and Charles Cassell; Crystal, Dollie, Tom, Ruby and Lyle Houchin; Garnet, Earl, Carl and Ward Beverage; Ruth, Carrie, Hazel and Bernice Sutton; Rella and Roy Cassell; Wayne Cassell; Berlin, Flossie, Anna Lee, George, Clarence and Gladiola Sheets; Neva Simmons; Jewel, Ollie, Betty Alfred and Eddie Sutton.

Wanless School was closed in 1938.

Re: Joseph Wooddell (1752-1834) and wife Elizabeth of Augusta County, Virginia, and Pocahontas County, West Virginia

This paper will be concerned with Joseph Wooddell and his wife, Elizabeth, two of our ancestors of the seventh generation. My principal source of information concerning them consists of the Wooddell family papers, now in the possession of Mr. & Mrs. Forrest Wooddell of Green Bank, Pocahontas County, West Virginia. I had the pleasure of cordial visits with the Wooddell family in September, 1958, and am grateful to them for granting permission to copy the family documents quoted hereinafter. I am also deeply indebted to Mr. Rockford N. Hamed, a native of Green Bank but now a resident of Alexandria, Virginia, and his parents for very generous hospitality, including driving me from Washington to Green Bank, introducing me to the Wooddells, sharing their home and extensive knowledge of Pocahontas County, and making the visit to Green Bank enjoyable in every possible way. Any merit this section has is due to the generosity of the Hameds and the Wooddells.

In addition to the Wooddell family papers, several other sources have been consulted: a file in the National Archives concerning Joseph's Revolutionary War Services, Joseph's will in the Pocahontas County courthouse, U. S. census records, and scattered references in Chalkley and Price. In quoting from these sources I will spell the family name as rendered by the county or census official or family member who prepared the document under consideration at the moment, so the reader will find Woodle, Woodell, Waddle, and other variations scattered throughout the following pages. Joseph himself used the form "Wooddell" consistently for his signature and this spelling is used on the headstone over his father's grave.

Joseph Wooddell was born about 1752, but I cannot establish the exact date or place of his birth. He gave his age as 80 in his sworn declaration of 1832 when qualifying for a Revolutionary War pension. He probably was born in Augusta County, Virginia and at least spent most of his early years there. Thomas Wooddell, Jr. (1759-1839), a younger brother of Joseph, testified that he (Thomas) was born in Augusta County in August, 1759, in his own declaration for a pension, so I am certain that if Joseph was not born in Augusta County, he at least was living there by the time he was seven years of age. If I can judge by land transactions abstracted in Chalkley and other evidence, the Wooddells must have lived in the North River District of Augusta County.

Joseph Wooddell (1752-1834) was the son of Thomas Wooddell (1709-1784) and wife Alice, whose maiden name we do not know. According to an 1886 newspaper article written by a grandson, Thomas Wooddell was born in Scotland; lived a few years in England; then migrated to Pennsylvania (which county?), where he married; and then settled near the village of Mount Solon in Augusta County, Virginia. His grave is in the Mossy Creek Presbyterian Church cemetery and designated by a headstone with the following inscription carved in crude but easily read letters: "Thomas Wooddell, died 1785, age 75." However, we know from his will (Book 6, Page 429) that he died between September 6, 1784 (when the will was written) and October 19, 1784 (date of probate). Alice, his widow, went to live with their son Joseph; her will, written in 1810 and probated in 1818, is recorded in the Bath County, Virginia, courthouse.

Thomas Wooddell (1709-1784) and Alice were the parents of eight children, all of whom were living when Alice's will was written in 1810. We do not know the order of their births: (1) Martha Wooddell, married Charles W. Hansel and settled in either Pendleton County, West Virginia, or Highland County, Virginia. (2) Jane Wooddell, married May 3, 1792, to Edward Irvin (or Ervin), son of Edward Irvin (or Ervin). (3) Joseph Wooddell (1752-1834), the subject of this sketch. (4) Thomas Wooddell (1759-1839), served in the Revolutionary War and signed his name Wooddell on his pension application in 1832, married Margaret Irvin (or Ervin), daughter of Edward Irvin (or Ervin), settled in that part of Greenbrier County which later became Mason County, West Virginia. (5) James Wooddell, ~~about whom we do not have~~ *see change* additional information. (6) Sarah Wooddell, married a Wallace, but we do not know his given name, where they settled, nor the names of their children. (7) Elizabeth Wooddell, who was single when her mother wrote her will in 1810. (8) John Wooddell (1767-1852), married January 31, 1791, to Elizabeth Irvin (1773-1834), daughter of Edward Irvin, settled on his father's farm in Augusta County. Additional information concerning these eight children of Thomas & Alice would be most welcomed.

Joseph Wooddell (1752-1834) enlisted in the militia and saw service in the Revolutionary War. The National Archives in Washington D. C., has a file containing documents submitted many years later in support of his successful application for a pension under the act of June 7, 1832. One of the documents in this file is a series of sworn statements on his behalf, the first of which was made before the court of Pocahontas County in 1832 to describe his service:

Joseph Wooddell

Unfortunately, the commission mentioned in Joseph's letter has been lost. His National Archives file contains a note to that effect:

S. F. 11883. Joseph Wooddell. Commission of Joseph Waddle as Lt. of a co. of Augusta Co. Va. militia, dated Aug. 15, 1780 and signed by Thomas Jefferson Governor has been removed from this case for safe keeping and may be found in the safe in the room of the Chief of the Old War & Navy Div. June 6, 1905.

Thomas Jefferson (1743-1826) was Governor of Virginia (1779-1781) before he became the third President of the United States (1801-1809). On the above note there is an added statement to the effect that Joseph's commission had been "sent to the Seattle Exposition, April 8, 1909". While visiting the National Archives, I inquired regarding the present whereabouts of the commission and was told that it was one of a number of documents sent to the Seattle Exposition for display which had not been returned to the National Archives. Chalkley (1, 216) cites Augusta County Order Book 17, page 265b, August 15, 1780, which records the fact that Joseph Waddle qualified as a lieutenant in John Dickey's company, and other Chalkley abstracts refer to Augusta County records which provide further evidence concerning the service of Joseph and his brother, Thomas Jr.

Joseph's application for a pension was finally approved and Certificate No. 23359 was issued January 17, 1834, at the Virginia Agency and mailed to him at Green Bank in Pocahontas County. On the back of Joseph's letter of December 24, 1833, a clerk in the pension office determined his annual pension of \$90 from the following calculation:

Amount:

15 mos. period—	50
3 mos. Lieut.—	<u>40</u>
	90

Certificate 23359 indicates that he had been paid \$270 by March 4, 1834, which was the only payment before his death later that year.

The above account exhausts my present knowledge of Joseph's war service, but undoubtedly a great deal more could be obtained from additional sources. Extensive records of the Augusta County units of the militia could probably be found in the courthouse at Staunton, the National Archives in Washington, and the office of the Adjutant General of Virginia. McAllister, the files of the Daughters of the American Revolution, and other sources have abstracted the statements of pension applicants, so anyone desiring to pursue the subject further could examine the National Archives files of Virginia applicants who served in the same units with Joseph. For example, Joseph's younger brother, Thomas, also served in Captain Dickey's company and his application provides details not mentioned by Joseph. Further information could also be obtained by consulting various sources about the careers of Joseph's commanders, particularly General Lafayette.

At the end of the war, Joseph Wooddell (1752-1834) was married to Elizabeth, who died in 1820, but I do not know the date or place of the marriage. My

is that the ceremony took place at Mossy Creek Presbyterian Church. I do not know when nor where Elizabeth was born nor what her maiden name was. One relative wrote in 1958 that she was Elizabeth Warwick, daughter of William Warwick and Nancy Craig. Another possibility is that she was Elizabeth McKemy, daughter of John McKemy (died 1789) and sister of Jean McKemy; John mentions a daughter Elizabeth in his will and leaves three pounds to a grandson named John Waddle. But, I do not have conclusive documentary evidence for either a Warwick or McKemy maiden name. Elizabeth apparently received very little formal education, since the Wooddell papers include a deed made jointly by Joseph and Elizabeth in which she made her mark rather than signing her name, and the fact that she could not write may account in part for the lack of family papers which tell of her ancestry.

Joseph Wooddell (1752-1834) and Elizabeth (died -1820) were the parents of eight children:

601. Thomas Wooddell

Married 1819 to William Slaven (born July 6, 1798), son of
John Slaven (born 1760) & 2nd wife Elizabeth Warwick.

I am quite certain that Joseph and Elizabeth first settled in Augusta County and at least seven (if not all) of the above children were born there. Chalkley notes that in 1777 Joseph and his brother James acquired land from their parents, which was probably in the North River District of the county. Joseph and another brother (Thomas) also obtained land together, according to a document in the family papers. This document, which I assume was a copy of a deed, was dated September 18, 1798, and transferred 286 acres of land from Thomas Wooddell of Augusta County to James and Robert Curry of Augusta County, the price being 250 pounds. The land was located on "some of the watters of Thornybranch . . . part of which was conveyed to the sd. Thomas Wooddell by Thomas Wooddle Deceased and part a grant to sd. Thomas Wooddle & Joseph Wooddle". (Thorny Branch is a tributary of North River near the small village of Sangerville in the North River District of the county.)

I believe that Joseph & Elizabeth left Augusta County for what is now Green Bank, Pocahontas County, West Virginia, some time between 1800 and 1802. In 1800 the Augusta County Clerk, Charles Kinney, exempted Joseph Waddle "from the payment of Taxes, etc., on your slave", according to a receipt in the family papers. The year 1802 seems the most probably for the move, since there is a church letter in the family papers which was probably used to transfer membership from the Mossy Creek congregation to the Green Bank church during that year:

This is to certify that Joseph Waddal and his wife Elizabeth have lived in this congregation a number of years, free of Scandal, and are in full communion in the Church and that sd. J. Waddal has been a ruling Elder in the Church, by order of Session Mossey Creek April 25th 1802. Benjamin Irvin V D

At the time Joseph settled at Green Bank, the area was part of Bath County, Virginia, & thus some significant records, such as the 1805 marriage bond between James Cooper & Nancy Wooddell, are to be found in the courthouse at Warm Springs, Virginia. Green Bank became part of Pocahontas County when that Virginia county was formed in 1821, then in 1863 became part of the new state of West Virginia.

Joseph settled near the North Fork of Deer Creek (once known as Cartmell Creek) & built his log house at approximately 38° 24' 48" north latitude and 79° 49' 58" longitude, near the present home of his great-great-grandson, Mr. Forrest Wooddell (1894-1967). Some years ago the old log house was torn down, but Forrest Wooddell was born there and remembers it was heated by a fire place & chimney rather than by stove & was very cold in winter. Mr. Wooddell also remembers that square portholes were cut in the walls to afford protection against Indians, but these had been plugged up by the time he was born. The house had a large porch & a separate back shed for cooking which had a stove & chimney. Still standing, however, is Joseph's smokehouse, constructed from logs & boards cut in his sawmill. Some of the squared logs are 10 inches on the front face & one of the white pine boards in the door is 17 inches in width. Though Joseph's home & mode of life may not seem comfortable to his descendants today, we know from the extensive records he kept, which fortunately have been saved by each succeeding generation, that he was relatively well-to-do by the standards of Pocahontas County in the first third of the century. These records tell us something of his land holdings, his business operations, & his daily life.

As time went on, Joseph increased his acreage. Some of the land he eventually owned was granted first to Thomas Cartmell, later to Abraham Ingram, before being granted to Joseph and James McKemy. In the Wooddell papers the earliest land grant is labeled on the outside: "JAMES MCKEMY AND JOSEPH WOODDELL, 150 ACRES, BATH COUNTY, RECORDED AND X, BOOK 50, PAGE 100." On the inside, part of the document

printed and the rest handwritten; the printed part is capitalized in the follow-

I James Monroe, ESQUIRE, GOVERNOR OF THE COMMONWEALTH OF VIRGINIA, TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING: KNOW YE, THAT by virtue of a land office treasury warrant, number seventeen hundred and eighty five issued the 15th day of February 1796 THERE IS GRANTED BY THE SAID COMMONWEALTH, UNTO James McKemy and Joseph Wooddell assignee of Abraham Ingram who was entitled to one third in his own right and as assignee of John Blankenship & John Perdue for the residue. Later deeds in the Wooddell papers indicate that Joseph bought James McKemy's share in 1813, acquired considerable additional land, & then gave parcels to each of his several sons before his death in 1834.

In addition to farming his land, Joseph used the waters of Deer Creek to provide power for a saw mill, a feed mill, a blacksmith shop, and a still. The mill races for these operations can be traced today. To keep the records for these enterprises, Joseph made an account book by folding a sheaf of paper, then sewing with heavy thread down the crease in the center. In this crude book are entries from 1813 to 1832, each with the date, the name of the customer, the goods or services provided, and the price in either dollars or pounds. Some typical entries are given because they provide information concerning the lives of the early settlers of Pocahontas County:

The following is an account of Plank Sawed for Daniel kerr in June 1814 by me Joseph Wooddell:

Many other accounts are listed in Joseph's book and in the Wooddell family papers. In 1827 he drew up specifications for building a church and probably cut the required lumber. He kept cattle and entered records of their pasturing, mentions beef, hides and furs. He made five to ten pound loans of salt to neighbors, of which this entry is typical: "October 6, 1823. Lent to Elizabeth Warrick 11 lbs. Salt with the apron". He made wagon parts, bedstead parts, and frequently mentioned "cherry plank". He billed Charles Martin in March, 1825, for: "To 3 1/2 gallons Whisky, 0-10-6". In April, 1829, he let John Sutton have "one plough Sheer Weight 12 lbs. for which he was to give me the same Weight of new Iron—he paid". He also charged one neighbor for "3 1/2 days work in haytime, 0-10-6". Some other activities for which he presented bills were:

Halling wood to the lime kiln one day	0	9	0
Halling lime 2 days	1	4	0
Halling stone 2 days	1	16	0
13 days making brick	0	19	6
1 day attendance in mortar	0	3	0
18 1/2 days attendance making the Brick Kiln	0	2	3

Joseph Wooddell apparently made trips of some distance for supplies, as several shopping lists are entered. The following was "for James Cooper," his son-in-law: 3 lb. Coffee, 1 Coffee pot, 1 Pepper Box, 3 Tea Cups & Sassers, 1 wearing hankerchief, 5 yds yellow Flannen 1 yrd and half quarter wide, 1/2 lb Pepper. Other items on other lists included: 2 lb chocolet, 3 yds muslin, 6 lbs Cotton, 1 Sheet Pins, 1 small thimble, 1 Bandany hankerchief, 1 Shoehammer, 1 Sett fine Niting needles, 1 Spelling book, Some writering paper.

These records present hints as to what life was like in the early days of Pocahontas County and also show that Joseph Wooddell was active in the commerce of the region. Judging by the number of wills, deeds, and other documents he prepared for other people, copies of which are in the family papers, he must have been one of

few men in the County of his generation who could write well. We know that some of his contemporaries could not write their own names (and made their marks on legal documents) and that many others could write only their own signatures. Joseph prepared two wills for himself, the first in 1822 and the second in 1832, and these documents give further evidence as to his activities and station in life. The 1822 will, in his own handwriting, reads as follows:

Joseph Wooddell's second & final will was prepared in 1832, eighteen months before his death, is in the handwriting of James Cooper (1780-1845), his son-in-law, and is available in the Pocahontas County courthouse (will book 1, page 438):
